

# Don't let the next natural disaster drain your wallet

Your home insurance protects you from the unknown, but it has some gaps. **Recoop Disaster Insurance**<sup>®</sup> secures your family's finances after a disaster with up to \$25,000 cash. Even better, it's cash you can use for *whatever you need* – *no restrictions*.

National disasters are on the rise.

**80%** ⚡

of U.S. counties have experienced a national disaster in the last five years.

## Really fast recovery cash

Your cost per month could be as low as:

COVERAGE AMOUNT	COST/MONTH
\$5,000	
\$10,000	
\$15,000	
\$20,000	
\$25,000	

For what **you're likely spending on your monthly streaming services** you could get our most popular policy of **\$10,000 in recovery cash**.

## Just 3 simple requirements to get your cash

- 1 You must carry an existing homeowners or renters insurance policy.
- 2 Your home or apartment must be in a state or federally declared disaster area and sustain damages of \$1,000 or more.
- 3 Damage must be a result of one of Recoops 7 covered perils: Hurricane (includes storm surge), wildfire, tornado, earthquake, gas explosion, winter storm or dust storm.

### Really affordable.

Get a \$5,000 cash benefit for as low as \$11/month.

### Really simple.

File a claim in minutes with a call or a few clicks.

### Really fast.

Cash is typically deposited within 48 hours of approval.

### Really flexible.

No restrictions on what you can do with the cash.
