

START STRONG & STAND OUT

Earn the Recoop® Pacesetter Award

Celebrating **independent agents** who make an immediate impact in their clients' lives and achieve significant sales results in their first six months.

Three ways to get started

1 Send the pre-approved client facing emails to your current clients.

2 Include Recoop in quotes and renewal conversations with your prospects and clients.

3 Are your clients opting for higher deductibles on homeowners coverage? Include Recoop as supplemental coverage.

Why sell Recoop?

Recoop helps fill the financial gaps that traditional homeowners and renters insurance may leave behind.

To qualify for a claim, your client needs to meet three basic requirements:

- ⚡ They must carry an **existing homeowners or renters insurance policy.**
- ⚡ Their home or apartment must be in a **state or federally declared disaster area and sustain damages of \$1,000 or more.**
- ⚡ **Damage must be the result of 1 of 7 covered perils:** hurricane (includes storm surge), wildfire, tornado, earthquake, gas explosion, winter storm or dust storm.

Why aim for the Recoop Pacesetter Award?

This award isn't just about numbers; it's about momentum.

By achieving the Recoop Pacesetter Award, you'll prove your ability to grow quickly, serve clients effectively, earn meaningful commissions, and set the stage for long-term success with Recoop.
